

MOUNTAIN SHADOWS WATER SYSTEM ADVISORY COMMITTEE (WSAC) PURPOSE STATEMENT

The WSAC serves as advisors to assist the Mountain Shadows Home Owners Association (MSHOA) Board of Directors (BOD) in making informed decisions relative to the Mountain Shadows public water system. They assist with water usage policy, operation, maintenance, documentation, budget development, and future improvements to the system. The efforts of the WSAC in no way reduces or modifies the BOD's responsibility for the safe operation of the water system and the provision of safe drinking water to the Mountain Shadows Subdivision. The WSAC exists solely to provide technical assistance. The WSAC operates under the direction of a designated member of the MSHOA BOD to insure the efforts of the WSAC meet the express needs of the BOD and are fully consistent with the needs of the subdivision.

Membership of the WSAC is open to any MSHOA member and meetings can be called by any WSAC member. All MSHOA members are encouraged to take part in the WSAC, to do so please contact the BOD via the contact us link on the webpage.
